

Student Choreography Showcase

The Showcase is open to all dancers who are in classes for ages 8 and up. Auditions will be March 17th starting at 1:00pm. If you are unable to make this date, you may audition at a predetermined date before the 17th. Only pieces that are complete and clean at the auditions will be considered for the Showcase. There is a \$10 audition fee per dancer and a \$20 performance fee per dancer to help cover the cost of running the showcase. The performance fee also includes a 15 minute private lesson with Miss Lindsey to help dancers polish their Showcase pieces. These fees must be paid with cash or check at the time of auditions.

*Part of participating in the Student Choreography Showcase is learning responsibility. Reminders may be given in class, however it is ultimately up to the **student** to complete each part of the checklist correctly and on time. We will not be chasing after dancers for music, costumes, and choreography. If they do not have everything completed on or before the audition date, dancers will not be able to perform in the showcase.

Dancers should hand in cut music and choreography at least a week prior to the audition date in order to be fully prepared for the audition.

Checklist

1. The song needs to be approved by Miss Lindsey before choreography is started.
2. The dance **MUST** be under 2 minutes.
3. The written choreography is to be handed in.
4. The completed piece is to be performed at the audition.
5. Costumes need to be planned out, but not purchased until April.

NO EXCEPTIONS WILL BE MADE
