

Picture Day May 9th, 2020

Dancers need to arrive 15 minutes before their scheduled time to make sure they are ready when called. Each dancer needs to have full stage make up and hair done **BEFORE** arriving at the studio and change into your costume when arriving at the studio as costumes are not to be worn outside before recital. It will be very crowded on Picture day, so make sure to keep all of your costumes neatly together to prevent losing or swapping costume pieces. Names should be written on individual costumes pieces.

Since it will be very crowded, dancers should have only one guardian with them for the day.

When your dancer's class is called, one parent must go into the studio with their dancer and a filled out form. You will get to choose between two or three individual pictures before their dancer lines up for the group pictures.

PLEASE choose quickly to keep the day running smoothly. We are on a tight schedule and do not want to get behind.

No pictures will be allowed to be taken in the studio.

If you wish to take a picture of your dancer in costume, please do so in the waiting room.

All Saturday classes will get a chance to run their dances in their regular dance clothes after their pictures are done. Please see the adjusted class schedule for new times.

For dancers who want individual pictures, they will be done before the class picture.

If you are late for your scheduled time, you will miss the group picture, but can still take an individual picture.

Time	Class
8:15-8:30	Saturday Dance with Me

7:40-7:45	Production

Dancers- Make sure you know the order of your costume changes so we can make the day go by smoothly! You should write down your order on a separate piece of paper, or highlight this sheet to keep with you for the day. Please do not ask your teachers or the photographer which dance is next the day of. Thank you!
