4. Tiny Stars

Many of our Tiny Stars have expressed interest in learning how to tap, so we are so excited to be adding tap to the curriculum next year! This will be an introduction to tap allowing familiarity with the style by the time dancers move into the Shooting Stars levels. Tiny Stars will perform only 1 dance in the Recital. Tap will not be a part of the Recital dance for this age level.

5. Shooting Stars

Thanks to wonderful feedback given to us, we will return to combo classes next season for Shooting Stars!

Benefits of combo classes:

- more time bonding with friends
- less time spent transitioning in between styles
- extra time on stage
- more FUN!

By adding combo classes back in, we will also be able to offer Hip Hop for our younger dancers! We've had a lot of requests for this style for the Shooting Stars and we are thrilled to offer it next season!

Each class will perform a dance in that style. There will be one base costume with different accessories for the different styles. The combo classes will be:

Ballet and Jazz

Tap and Hip Hop

If your dancer is interested in trying the class this year, we have a 12-week session of Tap and Hip Hop starting on March 5th!
