

Picture Day 2021

Location: Joy of Dance

Date: May 22nd

Rain date: May 23rd

1. Arrive 15 minute prior to your picture time
2. Full makeup and first costume done BEFORE arriving at the studio
3. Only one guardian to bring the dancer. Please leave other family members at home!
4. Write names on all costume pieces. If you loose it, we can then return it to you this way
5. Fill out picture form ahead of time
6. Individual pictures will be taken first, group pictures after.
7. If you miss your class time, you will still be able to take individual pictures
8. No pictures allowed to be taken in the stain area. This will conflict with the photographer's camera settings. You may move to another area to take individual pictures of your dancer
9. Dancers who need to do a costume change-
 1. **Young dancers in 1st grade or younger**— we will have our step and repeat banner up that you may quickly change behind. It will not provide total privacy but a nice cover for the general crowd. You may get a nude leotard to wear underneath your costume if you feel more comfortable
 2. **Older dancers in classes for grades 2nd and above** will need a nude leotard under their costumes just as they will for recital. You will not have privacy to change for all your quick changes! You will need to wear one pair of tights and put the other paid over. They will only need convertible tights and can leave stirrup tights at home (for those in modern and lyrical)
 3. ***Make sure you know the order of your costume changes** so we can make the day go by smoothly! You should write down your order on a separate piece of paper, or highlight this sheet to keep with you for the day. Please do not ask your teachers or the photographer which dance is next the day of. Thank you!
10. Parking- we will send a video on where to park 1 week prior to Picture Day
11. Saturday classes- you will get a chance to run your dances in costume in the studio after your picture time. Please see the class times below!

Studio Blue (basement studio)
